!!Stuff the cheeks well

Safety eyes will be inserted in skipped stitched

Embroider the eye whites and the eyelids

### Head sculpting

Make special needle sculpting for the eyes.

Use the thread of the main color (you will need two pieces 20 cm long). Using a needle, insert the thread into the hole on the head, bring it out at point 1, insert it at point 2 and bring it out into the hole on the head. Do the same for the second eye. Tighten the ends of the threads well and fix them with a knot
