ASSEMBLY NOTES

Stuff legs and sew them to the body.

Front legs: the white “sock” should sit slightly higher.

When sewing, lift the higher side upward so the leg sits smoothly without a bump.

After sewing all legs, do not cut the last sewing thread—use it to pull or adjust any legs that aren’t aligned perfectly.

Embroider around the front legs with green yarn using chain stitch along the body edge.

Start with brown yarn:

1. 6 sc in MR
2. 6 inc = 12
3. (inc, 1 sc)*6 = 18
4. (2 sc, inc)*6 = 24
5. (inc, 3 sc)*6 = 30
6. 3 sc, (inc, 4 sc)*5, inc, 1 sc = 36
- 7–12. 36 sc

□ **From next rounds, we begin forming the white muzzle.

Color changes must be very clean. Color change always happens on the LAST pull-through of the previous stitch.**

FP sc = front post single crochet (used earlier on legs & sweater).

HEAD – Colorwork Section

1. brown: (inc, 1 sc)*2, inc, 1 sc white: 2 sc brown: 1 sc, (inc, 1 sc)*2, inc, 22 sc = 42

Keep floats loose on the inside—tight floats will pull and distort the shape.

1. brown: 7 sc
white: 6 sc
brown: 29 sc = 42
2. brown: 6 sc
white: 8 sc
brown: 28 sc = 42
3. brown: 3 sc
white: 3 FP sc, 8 sc, 4 FP sc
brown: 24 sc = 42
4. brown: 1 sc
white: 2 FP sc, 15 sc, 2 FP sc

7. white: (dec, 2 sc)*4, 1 sc brown: dec, 1 sc, (dec, 2 sc)*3 = 24

□ Turn head inside out

Tighten all floats from both sides so gaps disappear.

Turn back to the right side.

Stuff the head firmly.

Cut white yarn. Continue only with brown.

□ Close the head

1. (1 sc, dec)*8 = 16

22-24. 16 sc

sl st, fasten off leaving a long tail for sewing.

If any white transitions look uneven, you can fix them with tiny surface stitches using white yarn (the top will be covered by muzzle anyway).

NECK SUPPORT (VERY IMPORTANT)

Because the head is large, the neck must be reinforced.

Insert two cotton swabs (or wooden sticks) straight up into the body, about 6 rounds from the top of the body, spacing them inside the stitch holes. Then insert five more cotton swabs angled backward for stability.

ASSEMBLING THE HEAD

Stuff head firmly, especially the cheeks.

Press a small dent into the center of the stuffing with your finger.

Place the head onto the sticks and begin sewing around the neck.

While the head is almost sewn, add more stuffing around the sticks (use blunt scissors).

Finish sewing and make sure the muzzle faces forward.

Paw Patrol Tracker - COLLAR (red)

1. Work approximately 16 sc directly around the neck on the body.

The exact number is not critical — +/- 1-2 stitches is fine.

2. Crochet 1 more round of sc over the stitches you just made, then sl st.

Cut the yarn, pull the tail out, pass it through the next stitch into the inside of the collar, tie it together with the starting tail, and hide both ends inside the work.

MUZZLE (white) - Paw Patrol Tracker

1. 6 sc in MR

2. 6 inc = 12 sc

3. 1 sc, inc, 4 sc, inc, 1 sc, inc, 2 sc, inc = 16 sc

4. 1 sc, inc, 6 sc, inc, 3 sc, 2 inc, 2 sc = 20 sc
5. 1 sc, inc, 8 sc, inc, 9 sc = 22 sc
6. 3 sc, inc, 6 sc, inc, 11 sc = 24 sc
7-8. 24 sc
sl st, cut the yarn leaving a long tail for sewing.

Assembly

Lightly stuff the muzzle.

Pin it in place so it doesn't shift while sewing.

Sew around, and when a small opening remains, add a bit more stuffing.

Finish sewing and shape the muzzle with your fingers.

HEAD STRIPE (white)

Make a chain of 4.

1. Starting from the 2nd ch from the hook, crochet around the chain using both sides:
2 sc, 4 sc in the last chain (turning point), 2 sc.
Sl st into the middle side, ch 3.
2. Crochet around:
4 sc, 3-in-1 sc inc, 2 sc, 3-in-1 sc inc, 4 sc.
Sl st into the center, ch 5.
3. Crochet around:
9 sc, 3-in-1 sc inc, 4 sc, 3-in-1 sc inc, 8 sc, sl st.
Fasten off, leaving a long tail for sewing.

Assembly

Sew starting from the top of the muzzle upward.

At the top, stretch the piece slightly sideways to shape it.

The upper edge should sit about 3 rounds above the magic ring on the head.

Paw Patrol Tracker – NOSE (black)

Use smoother yarn for a clean result.

1. 6 sc in MR
2. (3-in-1 sc inc, 1 sc)*2, 3-in-1 sc inc, sl st = 12 sc
Fasten off, leaving a tail for sewing.

Assembly

Sew the nose starting from the center of the muzzle's first round and slightly upward.

Shape gently with your fingers.

EYES (white), make 2

Use a thin yarn and a small hook (1.25-1.5 mm).

1. 6 sc in MR
 2. 6 inc = 12 sc
 3. inc, 1 sc, inc, 2 sc, inc, 1 sc, inc (the second stitch of the last inc is a sl st)
→ incomplete round
- Fasten off, leaving a long tail for sewing.

Notes:

The open/incomplete side is the bottom of the eye.

Sew very close to the muzzle and the forehead stripe.

Sew-on rhinestones (8 mm) should be attached diagonally down/inside.

Use strong sewing thread double-stranded and pull firmly each stitch so the rhinestone sits tight.

You can anchor the thread on the black nose so it remains invisible.

Paw Patrol Tracker – HAT (green)

Make a chain of 3. Starting from the 2nd ch from the hook, crochet in a round:

1. 2 sc in 1st ch, 4 sc in 2nd ch, 2 sc in 1st ch = 8 sc
 2. 8 inc = 16 sc
 3. 2 inc, 4 sc, 4 inc, 4 sc, 2 inc = 24 sc
 4. (inc, 3 sc)*6 = 30 sc
 - 5–7. 30 sc
 5. (8 sc, inc, 6 sc)*2 = 32 sc
 6. FP sc around: (inc, 3 sc)*8 = 40 sc
 7. (3 sc, inc, 1 sc)*8 = 48 sc
 8. (inc, 7 sc)*6 = 54 sc
 9. (5 sc, inc, 3 sc)*6 = 60 sc
 10. 60 sc
- sl st, fasten off, leave a tail for sewing.

Notes:

Hide the yarn tail inside the hat using small stitches.

Lightly stuff the hat.

Pin it to the top of the head (preferably forming a rectangle shape).

Sew through the round indicated in the pattern (the pattern shows an arrow “sew along this round”).

EARS – Paw Patrol Tracker

(beige & brown), make 2

The light-colored piece is worked first.

Light color:

1. 2 sc in MR (do NOT join; we will work in rows)
ch 1, turn

2. inc, 1 sc = 3 sc
ch 1, turn
3. inc, 2 sc = 4 sc
ch 1, turn
4. 1 sc, inc, 2 sc = 5 sc
ch 1, turn
5. 1 sc, inc, 3 sc = 6 sc
ch 1, turn
6. 6 sc
ch 1, turn
7. 1 sc, dec, 3 sc = 5 sc
ch 1, turn
8. 1 sc, dec, 2 sc = 4 sc

Edge the piece:

Crochet single crochets along both sides following the original increases.

Make a second identical piece in brown. Assembly:

Place pieces wrong sides together, light piece facing you.

Crochet them together with sc around the edge.

At the top of the ear, work a 3-in-1 sc inc to create a rounded tip.

Do NOT join at the bottom (keep it open for sewing).

Sewing the ears:

Sew the front part of the ear along the edge where the hat meets the head.

Rotate the back part of the ear almost 90° and sew it through the hat into the head so the ear stands naturally.

Iris embroidery:

Use thin brown thread (embroidery floss 4 strands ok).

Work a chain stitch (tambour stitch) around the rhinestone, tiny stitches.

Keep the stitches close but not too tight, otherwise the chain will slip under the rhinestone.

COLLAR EMBLEM (green & white)

Use a 1.25-1.5 mm hook and thin yarn matching the shirt color (in this pattern the main green yarn is split into 2 strands).

Green pieces (make 2):

1. 6 sc in MR
2. inc, 1 sc, 3-in-1 sc inc, 1 sc, inc, 1 sc = 10 sc
3. 1 sc, inc, 2 sc, 3-in-1 sc inc, 2 sc, inc, sl st (incomplete round)

White piece (thin white yarn):

1. 6 sc in MR

2. inc, 1 sc, inc, 1 sc, inc, sl st
Fasten off, leaving a tail for sewing.

Embroidery on the white piece:

Sew the white piece onto one of the green pieces.

Using red and blue thin yarn, work 1 chain stitch ("tambour stitch") from the edge toward the center.

With thin grey yarn, embroider 4 small straight stitches.

Trim all threads very short so they do not stick out.

Joining the green pieces (outer emblem)

Place both green pieces wrong sides together.

Using thin white yarn, crochet around them according to Round 4:

1. 6 sc in MR
2. inc, 1 sc, 3-in-1 sc inc, 1 sc, inc, 1 sc = 10 sc (same as before)
3. 1 sc, inc, 2 sc, 3-in-1 sc inc, 2 sc, inc, sl st
4. 2 sc, 2 inc, 3 sc, 3-in-1 sc inc, 3 sc, 2 inc, 1 sc, sl st = (outer edge)

Notes:

Hide all thread ends inside while joining.

The final sl st goes into the stitch where the first stitch was attached.

Pull the piece through the loop to secure, and leave a long tail for attaching.

□ Attaching the emblem to the collar

Sew the emblem to the collar with three stitches, catching both the collar and the emblem.

Wrap the yarn around the collar a couple of times above the emblem to prevent spreading.

Pull the yarn down through the neck area and make a final small securing stitch.

Fasten securely and hide the tail inside the body.

HEAD EMBLEM (grey)

Use thin grey yarn and a 1.25-1.5 mm hook.

Make one piece using the green emblem Rounds 1-3 instructions:

1. 6 sc in MR
2. inc, 1 sc, 3-in-1 sc inc, 1 sc, inc, 1 sc = 10 sc
3. 1 sc, inc, 2 sc, 3-in-1 sc inc, 2 sc, inc, sl st

Embroidery on the grey emblem:

Using thin grey yarn, work 3 chain stitches (tambour stitches) from the bottom upward, skipping 1.5 rounds between them.

Then, again with tambour stitch:

2 stitches vertically upward (skipping 1 round)

2 small diagonal stitches toward the top corners.

Edge with white yarn: Work Round 4 (same outer edging as green emblem) in thin white yarn. Cut the yarn, leaving a long tail. Fasten off.

Attach:

Sew the grey emblem to the front of the hat.

FINAL TOUCH: MOUTH EMBROIDERY

With thin black thread, embroider a small mouth using chain stitch approximately 2 rounds below the nose.
