### Assembly & Face Sculpting / Finishing

Jointed head option (English)

1: After crocheting the body up to Rnd 23, place the joint (disk + screw) inside the neck.

2: Crochet the head separately (use Head Rnds 1-15 above; optionally add 1-2 plain rounds if you want extra height). Pass the opening at the base of the head over the joint screw.

3: Continue the body with Rnds 24-32, decreasing around the joint screw to close the neck completely.

Sculpting (eye pits & muzzle)

Head back opening = Point 0.

Points 1-2 and 3-4: at about Round 7 on both sides of muzzle, 2 sts apart.

Point 5: 1 round below MR; Point 6: 5 rounds below MR.

With strong thread & long needle:

Go 0→2, enter at 1, exit 0. Tighten, knot. Repeat once.

For left eye: 0→3→4→0.

For muzzle: 0→5→6→0. Tighten, knot, hide tail inside.

White eye spots (optional)

With white yarn: MR, 8 sc, close; sew over eye sockets.

Ears

Shape pairs (inner+outer) and sew to head.

Limbs & tail

a: Sew legs to body so the fox sits stable and aligned.

b: Sew arms.

c: Sew tail.

Face

Embroider a black line on muzzle; glue ready-made nose (or embroider).

Glue/attach eyes.

Embroider eyebrows.

(Fluffing) Brush gently with pet brush/Velcro before sewing parts if you want a fuzzier look.

Done! Your Little Fox is ready. ☐
